Peace, Love and Music from Israel

Offering a fusion of Mediterranean music, Neta Elkayam and her band are the upcoming music revival, between the past and the world of contemporary music. The band is a shining example of how peace, love and music have the power to bring people together on neutral grounds.

Neta Elkayam (lead singer) graduated with honors from the “Key” School of Arts. Performing often throughout Israel, she has sung on stage with well-known artists such as Maurice El Madi and Nino Biton. Her audience spans across the Mediterranean, from Paris to Jerusalem to Casablanca.
